**Call for Expressions of Interest from
YOUTH SERVICES**

The annual BIMBERI Youth Justice Centre Expo is happening again on Tuesday 13 April 2010.

Would your organisation like to participate in this information and service expo as part of National Youth Week 2010?

The **Bimberi Expo** is an important opportunity for young people at **Bimberi Youth Justice Centre** to establish further contacts with services and workers in the community. It is also an opportunity for the workers at **Bimberi** to learn more about your service.

The Expo involves services each having a station and the young people participating in a 'Speed Info' game. This is where the young people have the opportunity to go around and ask questions about your service. Services will be asked to provide one question and answer for the 'Speed Info' game about what your organisation or service offers to young people? There will be prizes for the young people. Services are encouraged to donate a prize valued to \$30 for the activities, but would recommend you wait until the briefing session before you purchase anything.

Following the 'Speed Info' game workers from participating services will be invited to join the Bimberi staff and young people in a series of 'silly games' such as gumboot throwing, crab soccer etc, which will allow workers and young people to get to know each other even more.

Participating services will need to be available for a briefing session regarding access to the Centre, overview of the activity, contraband items, and expectations of the day. This session will be held Wednesday 31st March 2pm – 3pm at Youth Coalition, 46 Clianthus St O'Connor.

EOI forms are due Wednesday 24th March 2010
